Total Purse: \$7,000.00 **guaranteed** each day

Trophies: Trophy to 1st place in final heats.

NO REFUNDS. All drivers 16 and 17 years of age must show ID and have their parents present to sign Notice of Non-Responsibility form.

Cars that were battered from Saturday's event, and battered from other derbies, may run Sunday, as long as they pass safety rules/inspection. Only new cars may run on Saturday.

Pit Gate opens at 12:00 Noon daily and Closes at 5:30 p.m. No Exception.

Everyone must pay a \$25.00 pit fee and sign a Notice of Non-Responsibility. Pit wrist band must be worn at all times. A Pit Pass is for the pit area only; limited viewing of Derby from this area. No seats guaranteed.

Cars will be divided into three heats with up to the top five finishers (by officials decision) advancing to destruction final. Fourth (consolation) heat will be open to any non-qualifiers from first three heats. Up

to the top five finishers from the Consolation Heat will also move to destruction final. First three (3) heats will be established by “blind draw.”

Strict enforcement of rules as well as track conduct will be the official’s prime concern. **Everyone entering the pits must be at least 16 years of age. All people entering the pits between the ages of 16 and 18 must have their parents present to sign Notice of Non-Responsibility form.** All will be required to show valid ID.

One service vehicle will be allowed in derby area with each derby entry. Parking will be provided for car trailers outside the pit area.

Beer, alcoholic beverages, or drugs are not allowed in pits or parking area or in your private vehicles. Any violation of this rule will result in being disqualified for the day’s event and loss of pit pass. Fighting and abusive language will also disqualify you from the events and possible future Yolo County Fair Destruction Derbies. Misconduct could result in the removal from the Fairgrounds. **Last car running is not necessarily the winner. You will be judged on aggressiveness and performance by the officials. Official’s decision is final in all cases.**

Pit seating tickets for your family will be on sale at the sign-in table. They are limited and we suggest you purchase them early. Tickets go on sale at 4:30 p.m. by the pit office.
